Sustainably sourced, timelessly beautiful.

About Us

At **Burmese Gold Teak**, we bring the rich heritage of authentic Burmese teak to builders, architects, yacht manufacturers, and homeowners across India. We are a trusted supplier of premium Burma teak wood in Chennai, known for delivering genuine quality at competitive prices.

In addition to supplying timber and other teak products, we also specialize in crafting premium **burma teak doors** for homes, villas, apartments, offices, and luxury projects. Whether you need a strong main entrance door or stylish interior teak doors, our products are made from original Burmese teak to ensure durability and elegance.

We specialize in:

- **Burma Teak Timber**
- **Burma Teak Flooring**
- **Burma Teak Decking**
- **Burma Teak Veneers**
- **Burma Teak Door (Main doors & interior doors)**

Every product is selected based on premium quality standards and crafted to meet modern architectural and interior design requirements.

Mission:

To deliver premium Burmese teak wood and **burma teak doors** that combine sustainability, craftsmanship, and long-term value — ensuring every project stands the test of time.

- 100% Genuine Teak
- Premium Quality
- Legally Sourced

We are committed to sustainable sourcing and ethical forestry practices. Every plank and every **burma teak door** is carefully inspected for:

- Natural grain quality
- High oil content
- Structural strength
- Long-term durability

This makes our teak wood and teak doors ideal for luxury interiors, outdoor spaces, and marine applications.

Our Products & Services

Burma Teak Timber

Furniture grade, structural grade, and marine grade timber with straight grain and long life.

Burma Teak Flooring

Natural wood flooring that offers durability, termite resistance, and timeless beauty.

Burma Teak Decking

Weather-resistant teak for outdoor areas, yachts, balconies, and pergolas.

Burma Teak Veneers

Affordable luxury for cabinetry, wall panels, and decorative interiors.

Burma Teak Doors

Premium teak doors for main entrances and interiors, crafted from original Burmese teak for strength, design, and durability.

Custom Processing

Cut-to-size, sanding, finishing, polishing, and packaging tailored to your project needs.
